**AIR & SPACE LEGENDS TO ATTEND AIR SHOW**

STUART, FL (August 6, 2009) The VNA Air Show is proud to announce that Story Musgrave and Rich Graham will be in attendance and participating in the Living Legends program during the VNA Air Show.(14-15 November, 2009)

Story Musgrave is one of NASA's most experienced astronauts. With a 30 year career spanning the Apollo era of the 1960s right through to the Space Shuttle program of the 1990s, he is the only astronaut to have flown on all five Space Shuttles. He is also a pilot, surgeon, mechanic, poet and philosopher.

Col. (Ret) Richard Graham flew the SR71 Blackbird, the worlds fastest and highest flying aircraft, for over seven years on reconnaissance missions to gather highly classified intelligence on hostile countries. He later became the wing commander for both the SR-71 and U-2 aircraft with over 15 years of experience in the SR-71 program.

Story and Richard will be speaking about their experiences in aviation experiences during the 2009 VNA Air Show in the Living Legends tent.

The VNA Air Show will be held Saturday and Sunday, November 14<sup>th</sup> and 15<sup>th</sup>. For more information about the VNA Air Show please visit [www.vnaairshow.com](http://www.vnaairshow.com), or call 772.286.1844.
