**HOME GROWN U.S.A.F. PILOT FLYING INTO VNA AIR SHOW**

STUART, Florida- (September 14, 2009) The VNA Air Show is proud to announce that U.S. Air Force T-6 Texan II pilot, Sean McGlynn will be flying his turbo prop aircraft down from Randolph Air Force Base, Texas to join the VNA Air Show this November 13, 14 & 15 at Witham Air Field in Stuart, Fl.

Lt. Colonel McGlynn is a 1987 graduate of Martin County High School and was commissioned through Florida State University ROTC in 1991. Sean has since been a pilot and instructor for the C-5, T-37 and the T-6 Texan II. He has served in Operation Iraqi Freedom and Enduring Freedom. Sean has also served in Afghanistan and in several Presidential support missions. Lt. Colonel McGlynn has been married to his wife, Katie for thirteen years and has two children.

Members of the community interested in volunteering are asked to visit the VNA Air Show website, [www.vnaairshow.com](http://www.vnaairshow.com) to complete the volunteer registration form.

*About the VNA:*

Established in 1976, the VNA of Florida is a non-profit, community-based healthcare agency offering complete home health services. To aid those in need within our community, the VNA Foundation was created in 1987 to help individuals who otherwise would not be able to afford care. For more information about the VNA, please visit [www.vnaflorida.org](http://www.vnaflorida.org).
